OUR FAVORITE HAWAIIAN CRAFT BEER

WAIKIKI BREWING COMPANY® ALOHA SPIRIT BLONDE ALE™ (CAN) \$6.50
OG:10 FG:1.5 ABV:4.6% IBU:18 *Light crystal and two row malts combine to make the base for this light and refreshing blonde ale. Perle and tettnang hops provide slight bitterness and balance to the malt, and a late addition of cascade hops in the boil lend a delicate aroma to the finished beer.*

WAIKIKI BREWING COMPANY® HANA HOU HEFE™ (CAN) \$6.50
OG:13.5 FG:1.5 ABV:5.8% IBU:15 *Equal parts malted barley and malted wheat make up the base for this beer. Noble hop, tettnang, provides the bitterness and small additions of perle and centennial in the whirlpool balance out the aroma. An addition of sweet orange peel and strawberry puree prior to fermentation make this unfiltered American style hefeweizen the ultimate in refreshment.*

WAIKIKI BREWING COMPANY® SKINNY JEANS IPA™ (CAN) \$6.50
OG: 13 FG: 1 ABV: 6.0% IBU:56 *Back before the "juicy" New England style IPAs were blowing up on Instagram, there was a very hip style of IPA - the West Coast IPA. Very highly attenuated and light on malt, these beers were hop bursting before it was cool. You probably wouldn't have known about the hops, HBC 369 cv, and YCR 14 cv, they were pretty obscure at the time. Once they became mainstream they were called Mosaic and Simcoe and were much loved for their respective tropical/blueberry/rose blossom and dank/piney/resinous aromatics. This beer wears skinny jeans and jackets in the summer... you know - before it's cool.*
